Subject Yellow River Flood Relief Lottery.

H. Grull S.I.

The Yellow River Flood Relief Lottery was established in June, 1934, by the Hopei Provincial Government for the purpose of raising funds for the relief of victims of the Yellow River floods.

Tickets are sold at \$1 each and may be purchased at almost any shop in the Settlement where National State Lottery tickets are on sale.

The lottery is comprised of 200,000 numbers and of the sum thus raised \$100,000 is given in prizes as follows :-

1st Prize	\$40,000.
2nd "	two of \$10,000 each.
3rd "	three of \$4,000 each.
4th "	200 of \$ 120 each.
5th "	2,000 of \$ 2 each.

The drawings take place on the 15th of each month at the head office in Tientsin.

The local office of the Lottery was formerly located at room 410, No.263 Min Kuo Road, but at the end of February, 1935, the Manager, Wong Taz-mei (王子梅), absconded with a sum of \$10,000. Since then the Agricultural and Industrial Bank of China, 348 Honan Road, has acted as financial managers and prize issuing agency.

It is reported that the National Government is contemplating withdrawing the permit granted for this lottery after the 12th drawing which falls due on May 15 on the grounds that it impairs the sale of the State Lottery tickets.

The S.M.C. has not approved the sale of these
